Cable Ties & Cable Tie Accessories

Nylon Cable Ties 尼龍扎綫帶

Releasable Cable Ties 可鬆式扎綫帶

Description

Releasable cable ties are used for prototype work where wires will be added or when a tie is needed for a temporary application. Available in white or black nylon. They are used for securing hoses, wire, tubing, etc. Most ties are available in white or ultraviolet resistant black (recommended for outdoor use when ties are exposed to sunlight).

- Simple thumb release on head.
- Easily assembled by hand.
- Price per pack of 100 Ties.

Available Size
